

# ASA London Region Swimming and Para-swimming Records

## Eligibility

1. All records shall be for male and female, for long course and short course and for open and junior classifications, where:
  - a. the open classification shall have no age limits;
  - b. in the junior classification, a swimmer shall be under the age of 16 years on the day of the swim; and
  - c. para-swimming classifications shall be those recognised by the International Paralympic Committee.
2. The only times that shall be recognised as ASA London Region records are times recorded:
  - a. since the formation of the Region on 1 October 2005;
  - b. by current members of clubs affiliated to the ASA London Region on the day the time was recorded; and
  - c. in the national rankings published by the ASA and British Swimming.
3. To be eligible to claim an ASA London Region Relay Record, the team must be made up of current members/swimmer representing a single club that is affiliated to the ASA London Region.
4. Times which equal an existing record shall be credited as a "Joint Record".
5. London Swimming shall award Regional All-time Records using times recorded at any meet recognised in the national rankings.
6. The Region may also award Regional Championships Best Times using times recorded at the Regional Championships only.
7. All conditions specified in ASA laws regarding English records shall apply to London Swimming unless otherwise specified above.

## Administration

8. Applications are not necessary as regular checks will be made of the national rankings.
9. London Region Disabled Swimming Committee shall be responsible for ensuring the administration of the ASA London Region Para-swimming records. London Region Swimming Committee shall be responsible for ensuring the administration of the ASA London Region Swimming records. They may jointly or separately appoint a "records officer".

10. In cases where there is a question surrounding the validity of a record claim, then the case will be discussed at the next meeting of the relevant committee. The decision of the relevant committee will be final.
11. Where the relevant committee chooses to set a standard time, that time must be equaled or bettered to set a record.
12. Regional Records shall be published on the London Swimming website.
13. A record certificate will be sent to each new record holder by the records officer.
14. Changes to these rules must be agreed by both the swimming committee and the disabled swimming committee and ratified by the Regional Board.
